

Abogabots: Mockups UX

Pantalla de inicio de sesión

The mockup shows a web browser window with a grey header bar. The title 'Login' is centered in the header. On the left of the header are four navigation icons: a left arrow, a right arrow, a close 'X' icon, and a home icon. The address bar contains the URL 'http://abogabots.com/Login' and a search icon on the right. The main content area is white and contains a large square placeholder with a diagonal 'X' in the center. Below this are two horizontal rectangular input fields. Under the input fields is a blue, underlined link that says 'Create account'. At the bottom of the form is a rectangular button with the text 'Button'. A grey footer bar is at the very bottom, with a small double-slash icon on the right side.
